This great family home is as solid as an ox and perched up high to take in the treed escarpment along with the cool breezes and sunny east aspect. If you have a large family you will not be disappointed, on the main level there is a huge lounge room with separate sitting/media area, kitchen, main bath and laundry. This level opens out to a lovely landscaped yard to the rear, perfect for the kids or puppy to play, this area would also be perfect for a lap pool. Still on this level there is a front verandah that spans the front of the home and can be enclosed or left open depending on the weather.

On the top level is three large bedrooms and a fourth nursery/study. Both bedrooms to the front of the home have built-in robes, enjoy a lovely view and have their own
